Graiseley Liberal Democrats

Dear friend,

Many people have contacted me about crime in our local area, especially after the violence in the City Centre. **As your views matter to me I wanted to give you the chance to have your say.**

I think everyone should have a right to be safe and to feel safe.

That's why I want to know your views and opinions on crime and the effect it has on our everyday lives here in Wolverhampton.

This survey is designed to get feedback from you about the issues you are most concerned about.

I hope you will take a moment to complete it. You can return it for free by sending it to the FREEPOST address.

With thanks and best wishes,
Eileen
