It is the Liberal Democrats
that have been taking on
and beating Labour in
Wolverhampton South West.
The Conservative vote has
declined at every General
Election since 1987.

Robin Lawrence met Liberal Democrat leader Nick Clegg (right) to discuss how our Fairer Tax policy will benefit Wolverhampton

3 reasons to back Robin Lawrence

- **Fairer Taxes** Millions of low earners will pay no tax at all. Those earning over £10,000 a year will be £700 a year better off.
- **Improved services** 3,000 more police on patrol and cut waste in the NHS so that more can be spent on frontline services.
- **Investment in our future** The Liberal Democrats will cut school class sizes, abolish university tuition fees and take real action on climate change.

Nick Clegg's Lib Dem tax guarantee

If you earn less than £10,000 a year, then you won't pay any income tax

If you earn more than £10,000 a year, then you will pay £700 less in tax

All paid for by closing tax loopholes exploited by the very rich, taxes on pollution and the new 'mansion tax' on houses over £2 million.
