

# **My contract with the people of Wolverhampton South West**

- ◆ **I will put local people first. I will be there to help, listen to your concerns and stand up for what matters to you.**

I will have an office in the constituency open at least five days a week and I will hold frequent surgeries in easy to reach places in different parts of the constituency. As my family and I already live in the constituency and my children attend local schools I will be in the constituency as much as possible. I will carry out a survey each year to find out what issues matters to you and report back annually about what I have been doing on behalf of Wolverhampton South West constituency

- ◆ **I will make sure your voice is heard - locally and at Westminster. I will be a strong voice for Wolverhampton South West constituency.**

I will work closely with local people, City councillors, voluntary organisations, Trades Unions and local business groups to promote the Wolverhampton locally, nationally and internationally.

- ◆ **I will be open and honest about all expenses incurred in representing you.**

All expenses that I claim in the course of Parliamentary duties will be published and available to local press, radio and TV stations.
