Record of Action

Ian and Leyla want to make sure that you, council taxpayers of Oxley Ward, receive efficient services from the City Council and NOT waste your money like the current Labour Council does.

We offer this commitment :

LIBERAL DEMOCRATS WILL NEVER WASTE YOUR COUNCIL TAX MONEY

Your Liberal Democrat Focus Team has worked hard for the residents of Oxley and Pendeford.

We have knocked on doors, produced Residents' Surveys and Focus Newsletters, taken action and kept you informed about what is going on the area.

We have held the Council to account over the Nelson Mandela House site, as well as having acted on speeding motorists in Pendeford. We have had streets and alleys cleaned, had fly tipping removed and exposed the Council's waste of money.

Through the Focus Newsletter we have kept residents informed.

*So that's your choice ... the hard working candidates from the Liberal Democrat Focus Team, **Leyla Abbes and Ian Jenkins** or the candidates from Jeremy Corbyn's Labour Party.*

Please give us your support.

About the Focus Team candidates

Leyla Abbes

Leyla lives in Rakegate and has been an educator all her working life. She is passionate about community politics, in particular ensuring that the Ward is a cleaner place in which to live.

Ian Jenkins

Ian has lived in Oxley since 1982. He and his wife Ann are foster carers for Barnados and he is local organiser for Coeliac UK. Ian is now semi retired from the glass trade.

Focus editor Rob Quarmby has withdrawn from this year's election due to family commitments.

Waste and Recycling

As you probably know, the Labour Council which runs Wolverhampton is taking an axe to the waste and recycling services.

Labour propose to:

- ★ **Cut** bin collections to only once a fortnight;
- ★ **Abolish** the food waste box
- ★ **Charge** householders £35 per year to collect 'green waste'.
- ★ **Close** Shaw Road recycling centre, and plan a Super-Tip at Hickman Avenue.

Whilst some Council Tax payers will find this acceptable, **we don't think it is fair**. We already pay through the Council Tax for bin collections, so why should we have to pay more?
