Safer Roads

Leyla tries to cross The Drove way where she thinks there should be a crossing or refuge

The Focus Team and Leyla have successfully campaigned for action against speeding motorists on local roads and we are continuing to campaign for a crossing or a refuge, on **The Drove way**, before someone is killed.

Some progress to report:

Following pressure from your local Liberal Democrat Focus Team, the City Council has promised to install traffic counters across the road.

Policing...

We need more effective policing in Oxley and Leyla promises to do what she can to clean our area from the pestilence of drug dealing. It has to stop! The Conservatives cut the number of police on our streets.

.... **It's time to bring them back!**

Leyla points out rubbish dumped at the former Nelson Mandela House site.

NELSON MANDELA HOUSE

Nelson Mandela site. Following the Focus team's action last year, Wolverhampton Labour Council promised that the site would be handed over for the building of new homes. STILL nothing has been done, and the site is a receptacle for rubbish, which will attract rats and other vermin. People waiting for buses do not feel safe there either.

Let's get it sorted out!

OXLEY LIBRARY...

It's a great shame that the Library site on **Probert Road** has come to such a state; there are now people getting in to the place and again Leyla is worried for the safety of residents.

The Focus Team has been told the old library will now be demolished.

What do you want to see in its place?

Leyla despairs at the disgraceful state of this once useful community building

City Centre

Wolverhampton City Centre is a shadow of its former vibrant self, especially with the closure of so many shops. The Liberal Democrat Focus Team will do all it can to support measures to make Wolverhampton a better place to shop, eat and drink, and relax.

We will start with the provision of **Free WiFi in the City Centre.**

Tackling YOUR local problems... Leyla Says

"Unlike some Councillors, I have been active in getting your issues sorted out, whether it be damage to property, anti-social behaviour, speeding traffic, planning issues....

I am happy to carry on fighting for YOUR interests, irrespective of your politics. With that in mind please can I ask you to vote for me on Thursday May 2nd. ?

Don't forget, this election is to choose who will be the best councillor for Oxley Ward. It isn't about national politics but simply who will serve you best in Rakegate, Oxley and Pendeford.

**Vote Leyla Abbes
on May 2nd**
