SPEEDING IN PROBERT ROAD

Residents have regularly reported incidents of speeding on Probert Road and neighbouring streets.

Leyla examines the damage caused by a speeding vehicle skidding out of control

And guess what, one evening recently, on the corner by the Library, one car was driven up the bank, and through someone's fence.

Last year, local Lib Dem Focus Team members did a 'Safety Camera' test on the Droveway, so maybe it is time to look at speeds on Rakegate. What do you think? Shall we apply for a Safety Team in Probert Road?

Let us know using the Grumble sheet on the back.

ALLEYWAYS

Leyla says: "Thank you to the Council for cutting back on overhanging vegetation in the Probert Road - OneStop alley; we highlighted this problem in several alleyways last year. We now need to ensure there is adequate lighting in them as well".

But there is overhanging greenery elsewhere in the area.

Use the Grumble sheet on the back to let us know exactly where and we will try and get it cut back.

CROSSING THE DROVEWAY

There are too few safe crossing points along the length of the Droveaway.

Despite the increasing volume of traffic, there has never been so much as a refuge anywhere along this road. (see picture of a gentleman trying to cross). Local Liberal Democrat Focus Team campaigner Leyla Abbes is asking for the Highways Dept of the Council to install either a refuge, near to the bus stops, or, preferably, a proper pelican crossing, before there is a serious accident.

We welcome your opinion. Use the grumble sheet below

OXLEY LIBRARY...

Since the closure of our library, the building has deteriorated, and been vandalised. Now it appears that fencing and doors have been broken, and there is access to the inside of the building. This has to stop. There needs to be a long term solution for the site, and it is a matter of urgency.

NELSON MANDELA HOUSE

You may recall that last year, we ran a questionnaire, "What do you want to see happen at the site of Nelson Mandela House, next to Morrisons. You told us that you wished to see housing, preferably sheltered, but what has happened since? Nothing! Still a bomb site, collecting litter. We are on the case.
