Pavement politics - Claire Darke deals with things that matter

Thanks to the persistence and hard work of Claire Darke and Councillor Robin Lawrence, Crawford Road and Merridale Crescent residents are soon to have their pavements repaired.

Residents and members of the local Neighbourhood Watch asked the Liberal Democrats for help in improving pavements in the area. Claire Darke and Councillor Robin Lawrence immediately contacted the Council to insist that the problem pavements were attended to quickly.

Both Claire and Robin are now delighted to report that Wolverhampton Council's Highway Works Division has agreed to a programme of pavement resurfacing in Crawford Road and Merridale Crescent to begin during April 2008.

Claire Darke told Focus "This is a victory for local residents who are keen to maintain the quality of their environment."

Councillor Robin Lawrence went on to say "These pavement improvements go to show the importance of electing hard-working Liberal Democrat Councillors. Residents of Crawford Road and Merridale Crescent may have recently received glossy and colourful empty promises from the Labour Party but it is only the Liberal Democrats who work with residents to make sure that local problems are resolved swiftly and successfully."

From our January Focus

Crawford Road footpaths

Residents of Crawford Road have contacted Cllr Robin Lawrence asking for the footpaths along their road to be resurfaced. Cllr Lawrence has taken the problem to the Highways Department to see if this job can be included in their resurfacing programme in the near future.

Tettenhall Road

Councillor Robin Lawrence and Claire Darke have welcomed the recent improvements to pavements surfaces at the junction of Crowther Road and Tettenhall Roads. "Regular maintenance of much used pavements at busy junctions is both important and cost effective," Robin Lawrence told Focus.

Claire Darke added "I am hoping that the standard of pavement resurfacing in Crawford Road and Merridale Crescent matches the quality of Tettenhall Road."

Remember to vote for Claire Darke on Thursday 1st May.

Action against inappropriate parking

Claire Darke and Cllr Robin Lawrence wonder if this driver can read? The sign is clear enough. He and others like him are turning the grass verge in to a muddy mess.

Considerable damage is being done to grass verges all round the West Park because of inconsiderate and inappropriate parking.

Under new powers that came into force at the end of March Wolverhampton Council will be able to fine drivers who park on the grassed areas and pavements. Residents can be assured that Claire Darke, Councillor Robin Lawrence and the Liberal Democrat Focus Team will be pressing the Council to use the new powers to prevent the continuing damage to grass verges around the West Park.
