# Rubbish to be Removed

Residents of Coleman Street have asked Claire Darke and Councillor Robin Lawrence for help to clean up their street. During a recent visit to Coleman Street residents begged Claire Darke to help rid the area of fly-tipped rubbish. Assisted by Councillor Robin Lawrence, Claire Darke has now arranged with Street Scene Services that a pile of old tyres and the broken freezer that was dumped in Coleman Street should be removed as soon as possible.

*'Who dumped this old freezer in the street?' asks Cllr Lawrence*

Claire Darke said "Councillor Robin Lawrence and I are always happy to take action to help clean any area of Park Ward up. The quickest way to have fly-tipped rubbish or litter removed is to contact the Liberal Democrats who will then ensure that the rubbish is removed by Wolverhampton Council."

Councillor Robin Lawrence and Claire Darke, Liberal Democrat Candidate for Park Ward, have also demanded that areas of litter near to St Andrew's school be cleaned up as a matter of urgency.

Residents of the area will have the opportunity to vote for Claire Darke to be their next councillor on May 1st

# Claire Darke deals with kerb problems

*"A dropped kerb is needed here"  
says Claire Darke*

Residents with young families in the Coleman Street area have asked for help in getting a dropped kerb. The steep kerb which Claire Darke is seen looking at is difficult for parents with push chairs and needs to be replaced with drop kerbing for the safety and comfort of wheel chair and pushchair users.

Claire has demanded action be taken and has already contacted Wolverhampton City Council's Highways Division. Claire Darke said "No job is too small for the Liberal Democrats. The Labour party appears to ignore details like drop kerbing and dumped rubbish."

Residents can show how dissatisfied they are with Park Ward's ineffective Labour councillors by making sure that they vote for hard-working campaigner Claire Darke on 1st May.
