Claire Darke acts on footpaths

Once again Liberal Democrats, led by local campaigner Claire Darke and Councillor Robin Lawrence have demanded that the Labour controlled Wolverhampton Council should carry out urgent pavement repairs to Marlborough Gardens. Residents will remember that Councillor Robin Lawrence wrote to the Council requesting pavement improvements last year and no action was taken.

Since then the pavement has got worse with many paving slabs becoming loose. Claire Darke has called for immediate repairs to secure the loose slabs to prevent residents tripping or slipping.

Councillor Robin Lawrence told Focus, "Claire Darke's commitment to helping solve local problems is becoming ever clearer to residents in Park Ward. Because of her hard work and dedication to Park Ward she deserves to be elected as the next Park Ward councillor on Thursday 1st May."

Claire Darke and Cllr Robin Lawrence have had to ask for footpath repairs in many parts of Park Ward

Conservatives out of the race

Wolverhampton Conservatives' campaign has descended into chaos, with just weeks to go before the local elections they have dumped their local leader and rumours abound of another leadership contest. The current Leader, Neville Patten, has previously admitted that the Conservatives can not win in Park ward.

It's a two horse race

in a close two-horse race, the only way residents unhappy with the shambles Labour have created here is it vote for Claire Darke, the local Liberal Democrat Focus Team candidate.

Grass Verge Damage - Signs Ignored

Claire Darke and Cllr Robin Lawrence wonder if this driver can read? The sign is clear enough. He and others like him are turning the grass verge in to a muddy mess.

Considerable damage is being done to grass verges all round the West Park because of inconsiderate and inappropriate parking.

Under new powers that came into force at the end of March Wolverhampton Council will be able to fine drivers who park on the grassed areas and footpaths. Residents can be assured that Claire Darke, Councillor Robin Lawrence and the Liberal Democrat Focus Team will be pressing the Council to use the new powers to prevent the continuing damage to grass verges around the West Park.
