February 2008

Bin & Gone!

There should be a waste bin on this pole! Cllr Robin Lawrence and Claire Darke want missing and damaged bins replaced immediately.

Within days of being elected Councillor Robin Lawrence began working with residents of West Park to make sure that litter bins were installed.

Sadly since last June many bins have been damaged, destroyed or even stolen. Councillor Robin Lawrence, Claire Darke and West Park Residents are now demanding that the missing and damaged bins be replaced or repaired immediately. Claire Darke told Focus Special "West Park is Wolverhampton's premier park and the Liberal Democrats are determined to keep it that way."

Don't Go For a Trip!

While visiting the West Park the Liberal Democrat Focus Team was shocked to find the pavements on Park Road East and West in such a bad state of repair.

Claire Darke and Councillor Robin Lawrence found many areas that were potential tripping hazards. To prevent such accidents Claire Darke and Councillor Robin Lawrence have asked for immediate repairs to the worst affected areas as well as asking for a full pavement renewal programme for West Park. Councillor Robin Lawrence told Focus Special "I met one resident who tripped and fell over loose and damaged paving slabs suffering painful bruising. Liberal Democrats will do everything we can to help stop further injuries occurring."

Loose and damaged paving out side a school's entrance. Claire Darke and Councillor Robin Lawrence have asked for immediate repairs.

Grass Verge Damage - Signs Ignored

Claire Darke and Cllr Robin Lawrence wonder if this driver can read? The sign is clear enough. He and others like him are turning the grass verge in to a muddy mess.

Considerable damage is being done to grass verges all round the West Park because of inconsiderate and inappropriate parking.

Under new powers coming into force at the end of March Wolverhampton Council will be able to fine drivers who park on the grassed areas and pavements. Residents can be assured that Claire Darke, Councillor Robin Lawrence and the Liberal Democrat Focus Team will be pressing the Council to use the new powers to prevent the continuing damage to grass verges around the West Park.
