Westland Avenue and Gardens to be resurfaced

Thanks to pressure from Claire Darke and Cllr Robin Lawrence Westland Avenue and Gardens will be resurfaced in this financial year. Residents approached Cllr Lawrence a year ago and he made sure that the Council's Highways Division gave a promise of road surface improvements. In order to bring immediate help to the area Cllr Lawrence also ensured that deep pot-holes were filled.

Now Claire Darke, Liberal Democrat Candidate for Park Ward, is delighted to report that the council has confirmed that the work should commence in the Autumn. Claire Darke said "I am very pleased that Westland Avenue and Westland Gardens will be resurfaced soon. I am also pleased to announce that pavement resurfacing will take place at the same time." Claire went on to say "It is becoming ever clearer to all residents in Park Ward that the Liberal Democrats are the only party to contact in order to get things done."

Conservatives out of the race

Wolverhampton Conservatives' campaign has descended into chaos, with just days to go before the local elections they have dumped their local leader and rumours abound of another leadership contest. The current Leader, Neville Patten, has previously admitted that the Conservatives can not win in Park ward.

It's a two horse race

In a close two-horse race, the only way residents unhappy with the shambles Labour has created here is to vote for Claire Darke on May 1st.

Grass Verge Damage - Signs Ignored

Claire Darke and Cllr Robin Lawrence wonder if this driver can read? The sign is clear enough. He and others like him are turning the grass verge in to a muddy mess.

Considerable damage is being done to grass verges all round the West Park because of inconsiderate and inappropriate parking.

Under new powers that came into force at the end of March Wolverhampton Council will be able to fine drivers who park on the grassed areas and footpaths. Residents can be assured that Claire Darke, Councillor Robin Lawrence and the Liberal Democrat Focus Team will be pressing the Council to use the new powers to prevent the continuing damage to grass verges around the West Park.
