

Election Special

Focus Team member Sandra Terry is your Liberal Democrat candidate in May

Sandra Terry has been a leading member of your Focus Team for the last 18 months. Many of you have already contacted her with personal problems. Many of you have also seen her either delivering Focus or working behind dustcarts on the Rubbish Action Zones that she helped organise. She has a great deal of previous experience. She was formerly a Liberal Democrat councillor for Fallings Park Ward.

Previous to that she was a Conservative because, like all of us in the Liberal Democrats, she opposed the excessive spending by the Labour Party and soaring Council Tax and rents. However, she found the Conservatives unfeeling towards individuals and felt; quite rightly, she could serve everyone much better by being a member of the Liberal Democrats.

Sandra said, "I wish to represent the hopes and aspirations of the people of Springvale and at all times I will do my best to deal with any problems that may come along. I cannot pretend all problems have a solution but I promise I will always try my hardest on behalf of you all."

Sandra Terry your Lib Dem Councillors say

"Sandra has already impressed many residents with her activities as a member of the Focus Team, how much better she will be as your elected representative. She will most certainly attend every Council meeting and all Tenants and Resident Association meetings to which she is invited. I believe she will be a great asset to the residents of Springvale."

Cllr Richard Whitehouse

"Sandra is a tireless worker and she will bring a 'woman's touch' to the ward. You can rest assured that any problems you may have will be dealt with immediately and that she will always be available for advice."

Sandra Terry welcomes the exterior improvements to these properties. These are ahead of others in the City.
