ELECTION SPECIAL

Mike Heap your Local Campaigner seeks re-election

City Council faces ruin at the hands of Labour

For fifteen years Labour imposed incessant inflation busting Council Tax increases on the people of Wolverhampton. They imposed relentless massive rent rises and frittered away Council reserves to crisis level.

Mike Heap says, "from May 2008 when Labour lost power, Liberal Democrat politics restored the reserves to acceptable levels and oversaw 0% Council Tax increases."

A Labour Sell Out - Banqueting suite application passed!

The site as seen from Monmore Grange

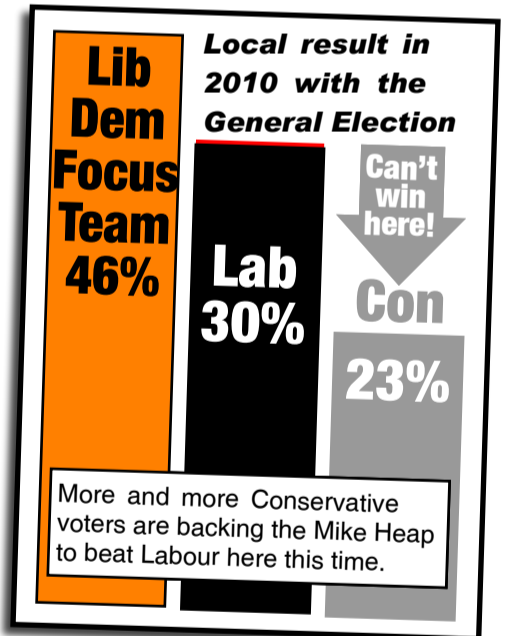

Despite Mike Heap and the Focus Team organising an information leaflet and a petition that attracted hundreds of signatures and individual letters of objection Labour passed the application.

At the first meeting of the Planning Committee we had demanded an Environmental Assessment and when done this had backed our arguments. However, this and the issues of noise, parking and traffic were ignored by the Planning Committee. All the Lib Dem/Conservative coalition members voted against it but Labour (who have the majority) pushed it through. This was totally against local wishes.

How can Labour pretend they wish to represent you!

Mike added, " In three short months since Labour took over last December they are at it again. They are already spending huge sums of money, which they describe as "chicken feed", on the wrong priorities. They lifted rents savagely and once again showed their complete incompetence. The Tories acknowledge that they will not win in Springvale ward, but it is in everyone's interests to ensure Labour can't get their hands on the money. Wolverhampton cannot afford them."

Its just a two horse race in Springvale

Please ensure that Springvale Ward remains in the trusted hands of your three Liberal Democrat Councillors by voting for **MIKE HEAP** on May 5th.

Your Focus Team works all the year around. Not just at election time. These are some of our achievements this year

Fighting for the proceeds of the sale of Hurst Hill Sons of Rest (Hackett Close) to go to local community organisations

Getting the garages at Swann Road improved and agreement over gate shutting.

Campaigning with councillors from Blakenhall Ward to have Parkfield School facilities such as the gym, pool, the building trades and the hairdressing training centres remain for use by the public once it is vacated for the new Academy in Bilston. Funded through the letting of the old school as office space.

The Spread Eagle pub secured whilst

awaiting development

Grass verges here in Waverley Crescent and others elsewhere repaired. Offenders will be recharged where possible.
