Progress report on Hilton Hall

Keith Jones chair of the Hilton Hall Community Association can report work done by volunteers, and more are most welcome, does include: all leaks fixed on the main hall roof, the main storeroom roof was completely repaired and resurfaced, a large proportion of the exterior of the building has been repainted, giving it a more cared for look, which has resulted in a lot of positive feedback. We have managed to re-plaster and repaint the main hall

walls. The old kitchen has been completely ripped out in preparation for a new/updated kitchen facility. The hall flooring has been repaired and walls knocked down and re-built to accommodate disabled toilet access. The hall is now ready for the major contractors to move in once all necessary funding has been secured.

We are still running our 'Buy a Brick' campaign, which we are hoping people will continue to support with donations to help our 'Hilton Hall Rescue Plan'. You can see all of the work we have done, and contact us via our website at:

www.hiltonhall.com and also at: <http://flickr.com/photos/hiltonhall>

We feel that so long as we can continue with the fundraising and repairs at the rate that we achieved so far, we should be looking able to re-open the main Hall for public use by April 2010. "This is excellent news", said Cllr **Malcolm Gwinnett**.

A New public right of way

Cllr **Richard Whitehouse** has campaigned for the last two years to have the pathway between Fieldhouse Road and Wolverhampton Road East protected as a public right of way. He is very pleased to report that the final legal requirements are going through and if there are no hitches it will be completed in the New year.
