Rubbish Action Zone

Saturday 25th June

Your Focus Team proudly presents a Rubbish Action Zone for your area.

This means you can have **anything** removed within reason but not toxic substances. The event is meant to be community based and not a Council Service so, unless you are physically unable to do so, you are expected to help by putting your own rubbish onto the lorries.

If your neighbour is elderly or disabled please try to help them.

Want to help by collecting behind the dust cart? Then just join in!

We will have all the equipment needed for litter picking and two community groups are taking advantage of this. SEAG, Springvale Environmental Action Group are organising a competition for pupils of Parkfield School to clear rubbish from the wooded area at the bottom of the school's grounds. The Friends of Springvale Park would like help to clear rubbish from the Park. If you can help meet then at the car park at the end of Ettingshall Park Farm Lane at 10am.

If you think you may have something to dispose of which might have some value then contact Cllr Mike Heap on 754030. He will see that it is collected separately and goes to a good cause.

The Focus Team is also delivering the official Council leaflet along with this Focus.
