At a crowded and enthusiastic meeting in Whitmore Reans, Zahid Shah, the Liberal Democrat candidate for St. Peter's Ward, received support from all over the country. Senior Lib Dem Member of Parliament Andrew Stunell travelled from London especially for the occasion. From Birmingham came Tariq Khan, Liberal Democrat Prospective Parliamentary Candidate for Birmingham Hodge Hill, and he was accompanied by Birmingham City councillors as well as councillors from Wolverhampton.

Zahid Shah told the meeting how important it was for voters in St. Peter's Ward to back the Liberal Democrats. "For too long Labour has ignored us", he said. They have failed to tackle litter, fly-tipping and graffiti. And many Council homes need urgent repairs but Labour takes no action. I have had to step in and do their job for them."

Mr Ali

I am supporting Zahid Shah because he cares about the local area and it's communities

There's dumped rubbish and litter in far too many places. For years our Labour councillors have failed to act and the problem has grown through their neglect.

Zahid Shah has responded to many residents who have contacted him asking for help to clear up their area.

Lib Dem Leader backs Zahid Shah

On a visit to the West Midlands earlier this year Party leader Nick Clegg MP met Zahid Shah.

Mr Clegg endorses Zahid Shah's campaign to win in St. Peter's Ward. He told Zahid that Labour's neglect in St. Peter's was similar to reports he had from round the country. Labour is failing Britain.
